The Flower Series

 **MONIN**

Etch a bloom in 4 simple steps

Draw large and small circles using L'Artiste de MONIN Cocoa & Caramel.

Repeat the same pattern using L'Artiste de MONIN Caramel.

Next, using a latte art pen, pull inwards from the outer circle, meeting in the centre of both circles.

From the centre of both circles, pull outwards.

Finally, form petals by etching upwards on each semi circle.

Voila!

MONIN®

Top things off with hearts and flowers!

1. Draw large and small circles using L'Artiste de MONIN Cocoa & Caramel.

2. With a latte art pen, pull inwards from the outer circle, meeting in the centre of both circles.

3. From the centre of both circles, pull outwards.

4. Etch a line through the small circle to form hearts then turn the larger circle into flowers by etching inwards.

5. Add some final details using L'Artiste de MONIN Caramel.

Voilà!

Give your latte a fancy floral finish!

1. Start by drawing 3 ovals using L'Artiste de MONIN Cocoa.

2. Then, use L'Artiste de MONIN Caramel to make smaller circles on the upper edge of cup.

3. To form flower lanterns, etch on the ovals and circles with a latte art pen.

4. Add some final details using L'Artiste de MONIN Caramel.

5. Voila!

MONIN®

The
Wings
Series

MONIN®

Dazzle away with a graceful swan!

1. Using L'Artiste de MONIN Cocoa, draw 2 outlines of a swan using zigzags.

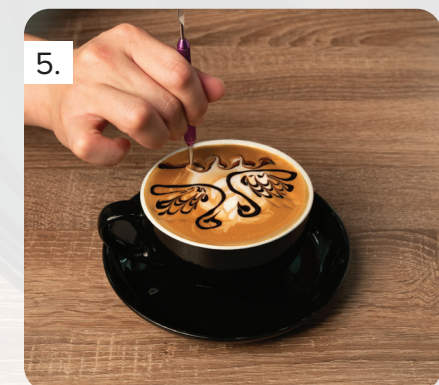

2. Continue by drawing a line at the edge of the cup. Then, use L'Artiste de MONIN Caramel to repeat.

3. To form the head of a swan, use a latte pen to cut diagonally downwards, creating a heart shape.

4. To form the wings of the swan, pull inwards from the top corner zigzag line ending at the corner of the body. Repeat twice, ensuring the lines meet the same endpoint.

5. Etch inwards and outwards on the line.

6. Add final touches using L'Artiste de MONIN Caramel & Cocoa.

Bringing a cup of joy with angel wings!

1. First, use L'Artiste de MONIN Cocoa to draw 2 zigzag lines along the edge of the cup to form the outline of wings. Then, draw a zigzag line to form the tail.

2. Repeat the same pattern using L'Artiste de MONIN Caramel.

3. With a latte art pen, pull inwards from the bottom up towards the centre to form the tail. Repeat.

4. To form the wings, pull inwards from the top corner zigzag line ending at the corner of the body. Repeat thrice, ensuring the lines meet at the same endpoint.

5. Add final details with L'Artiste de MONIN Cocoa.

Voila!

MONIN®

Add an owl on your latte. It's such a hoot!

1. First, use L'Artiste de MONIN Cocoa to draw 2 zigzag lines along the edge of the cup to form the outline of wings. Then, draw a zigzag line to form the tail.

2. Repeat the same pattern using L'Artiste de MONIN Caramel.

3. With a latte art pen, pull inwards from the bottom up towards the centre to form the tail. Repeat.

4. To form the wings of the owl, pull inwards from the top corner zigzag line ending at the corner of the body. Repeat thrice, ensuring the lines meet at the same endpoint.

5. Finally, form the owl's eyes by using L'Artiste de MONIN Cocoa to draw 2 whirlpools.

Voila!

The
Abstract
Series

MONIN®

Create a visual feast in two simple steps.

1. Free-pour milk to create a white centre in your latte.

2. Outline the white centre with L'Artiste de MONIN Cocoa, and draw a smaller ring within it.

3. Using a latte art pen, complete the design by etching ripples over the rings.

Voila!

Design an intricate pattern with ease.

1. Prep your latte with a rosetta art.

2. Using L'Artiste de MONIN Cocoa, draw a flower-like pattern from the centre to the edge of the cup.

3. Lastly, use a latte art pen to etch ripples on the flower-like pattern in a uniform manner.

Voila!

Adorn your latte with abstract flowers.

1. Free-pour milk and form five white circles on the top of your latte.

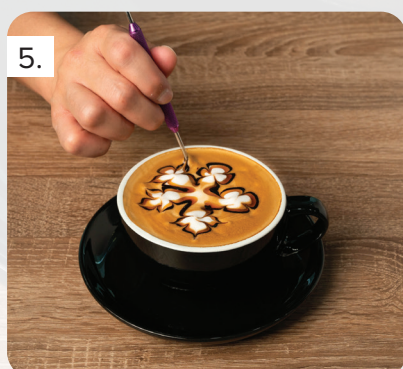

2. Form a large flower by drawing a continuous outline around the white circles, using L'Artiste de MONIN Cocoa.

3. Then, using L'Artiste de MONIN Caramel, outline the inner edge of the chocolate flower pattern.

4. To form small flowers, pull four inward strokes towards the middle of each flower petal.

5. Finish your design by pulling outwards on each petal of the smaller flowers.

Voila!
